Sir:

**INTERVIEW SUMMARY**

This is a summary of a telephone interview held between the Examiner Pezzlo and the undersigned on July 22, 2005. The undersigned initiated the interview by calling the Examiner and leaving a message at (571) 272-3090, and, due to the urgency of the subject matter of the conversation, also calling the Examiner's supervisor, Hassan Kizou, at (517) 272-3088. The undersigned wishes to thank both the Examiner and his supervisor for the prompt call-back and for the courtesy extended during the interview.

The undersigned explained that a Notice of Allowance had been mailed on April 29, 2005, and that the issue fee was due on July 29, 2005. The Applicants had, early in the prosecution of the application, submitted a Petition to Correct Inventorship under 37 C.F.R. § 1.48(a). That Petition had been denied by Examiner Kizou in July, 2003, because the declaration

was insufficient. The undersigned submitted a renewed Petition and new declaration on April 9, 2004.

On December 12, 2004, Examiner Pezzlo issued an Official Action on the merits. That Action did not mention the status of the Petition to Correct Inventorship. In the Response filed by the Applicants on February 22, 2005, the undersigned requested that the Examiner acknowledge the Petition. As noted above, a Notice of Allowance issued on April 29, 2005. That Notice likewise did not mention the Petition to Correct Inventorship.

During the telephone interview, Examiner Pezzlo assured the undersigned that the Petition had been granted and that the patent would issue with the inventorship corrected as requested in the Petition. The Examiner also stated that he would issue an interview summary and corrected filing receipt acknowledging the additional inventor.

Respectfully submitted,

By
